Granada Around the Bay Tour

“Left your heart in San Francisco, high on a hill,” none higher than Twin Peaks so we took some pictures. Next we uncorked the wine, broke out the bread and Irish Cheddar cheese, fruit and chips and crossed the Golden Gate Bridge listening to Credence Clearwater Revival for our next pictures at Vista Point. Treasure Island was our last stop on this “three bridge” tour. Come join us next tour!

Valentine

There are varying opinions as to the origin of Valentine's Day. Some experts state that it originated from St. Valentine, a Roman who was martyred for refusing to give up Christianity. He died on February 14, 269 A.D., the same day that had been devoted to love lotteries. Legend also says that St. Valentine left a farewell note for the jailer's daughter, who had become his friend, and signed it "From Your Valentine". Other aspects of the story say that Saint Valentine served as a priest at the temple during the reign of Emperor Claudius. Claudius then had Valentine jailed for defying him. In 496 A.D. Pope Gelasius set aside February 14 to honour St. Valentine. Gradually, February 14 became the date for exchanging love messages and St. Valentine became the patron saint of lovers. The date was marked by sending poems and simple gifts such as flowers. There was often a social gathering or a ball. In The Granada we will have a dinner treat to celebrate, of course.

Our Super Bowl Party is scheduled for February 3rd in front of our big screen TV with beer/soda and snacks. Go 49ers! Sunday, February 10th is Chinese New Year. We will have a dinner to celebrate the year of the Snake which is a symbol of good fortune and intense power in Eastern culture. In the Chinese tradition, the Snake is careful and stealthy, planning out details before they make moves. Valentine's Day is next, February 14th, we remember all our sweethearts. April is back in school after the Christmas break, Gabby, my San Francisco girl and Mary Angel my lifelong sweetheart are fine. To celebrate Valentine's Day in the Granada we will have something special for dinner, something in the shape of a heart. My April, on her way back from Puerto Rico stopped in Atlanta, Georgia. She spent time touring the historic monuments and came away a deeper appreciation of the old south. Remember my door is always open.
