A View from the Bay Tour

by Kevin McGlynn

Those of you who follow the Granada Gazette will recognize our Gray Lines Red Bus but this time we went on a ABC-TV tour. It was suggested that the Granada tour go to "A View from the Bay" and become the live studio audience, so off we went.

We pulled up to ABC-7 at 900 Front Street, the studio audience entrance is located on the north side of the building on Green Street between Front Street and Embarcadero, so we waited until 2:15 pm then we were led into the studio set to comfortable seats and welcomed to "Please be advised that taping and live broadcast is taking place today, your presence constitutes consent to permit ... to use your likeness or voice..." , okay. Above is the set and to the below are the hosts Spencer Christian and Janell Wang snuggled in with the Granada bunch. The show was interesting and it was great fun to be on San Francisco TV. Our next trip a group of 20 will go to a live show in February, so sign up early and be a star, for a second or two.

Active Management

Marcos Feitosa, our assistant manager, is an active Marathon runner. This December 6, 2008 he ran the North Face Endurance Challenge a 15 mile Marathon. I

decided to try it because that would be my first time to run on trails instead of roads amidst the beauty of Pacific coast's nature with its astonishing views of the coast and the city said Marcos. Out of 254 people that ran, Marcos came in 22nd place with a time of 2 hours 15 minutes. Congratulations! Now you see how things are done in the office with the endurance of a marathon runner.

This bright new year is given me
To live each day with zest
To daily grow and try to be
My highest and my best!
Happy New Year 2009.
My daughter April was up from school at USC where everything is going fine with her PhD studies.
We drove down south to see Mary Angel's folks for the Christmas season. The new kitchen seems to be a great success with many good comments about the food and several service improvements. We will need a month or so to recuperate after all the celebrating we have done since Thanksgiving. Please remember to conserve water when you can, like not running the cold so much before you take a drink. The Granada Jelly Belly Tour is coming up Wednesday January 21 and we have a big luxury bus with a bathroom so join the fun, I believe there are 42 seats, so please, bring me back a bag or two of Jelly Bellies.
Thanks
