were lead into the studio and our seats for the show, not a bad way to spend an afternoon. Next time we go, I expect more of a Granada audience, as in: "why stay home alone in your room, come..."

To say we love to be the live studio audience for ABC-TV's "View from the Bay", might be an understatement, check out Gertie with Spencer! This local show hosted that day by Spencer Christian and Leigh Glaser featured the program below. Janell Wang was on her honeymoon. Our bus was greeted by security and we were ushered into our "green room," after a few moments to collect ourselves, we

Good cheer comes in many forms, none better than beer and snacks; Blaine looks like he's having a hangover, just thinking about it. So after dinner we all came together to celebrate with

some food, drink and a raffle where everyone won cinema tickets, dvd rentals or imported beer and chocolate prizes, all compliments of Tony Davidauskis our manager. Merry Christmas to all!

December started off with a bang as the Granada tour hosted an afternoon with King Tut at the DeYoung museum. The Cable Car Carolers breezed into The Granada 40 voices strong with their brand of cheer. Then on Tuesday the 8th, our INTRAX students came for dinner and English conversation. Chanukah Services were held in the dining room after lunch on the 15th by Rabbi Elliot Kukula. The cover story of "View from the Bay," tells it all and how about the Staff talent show? Christmas dinner was on the 24th and all the faithful joined in exultation as champagne flowed at our New Years Eve Party to say Amen to the old year and hooray for 2010. I stop for a moment to remember my Mom's passing December 8th, one year ago. My daughter, April, came home from her studies at USC for Christmas so my family was all together and for the new year's we are going down south to visit with Mary Angel's parents. We have done many things this last year and I continue to look forward to serving you in the new year, remember my door is always open.
