Muir Woods NATIONAL MONUMENT

It starts on a beautiful crisp Monday, June 10th after lunch the "Granada voyagers" will departed for Marin County and the historic Muir Woods. A quick 45 minutes over the Golden Gate bridge in our private deluxe coach with wine and hor d'oeuvres and we will arrive at what appears to be something out of "Jurassic Park."

The National Monument preserves the last old growth coast redwood forest in the San Francisco Bay Area. The cool moist forest supports a surprising abundance of plant and animal life, from the coast redwood (the tallest type of tree on Earth), to the slimy banana slug, from the amazing Coho salmon to delicate trilliums. This forest refuge welcomes visitors from all over the world to experience the magic of the redwood forest.

After a 15 minute orientation from a friendly Ranger on what to look for and what to do, we will start deeper into the woods. Trails for the more ambitious through the glenn and up the path.

To breath the air and walk through these woods, truly is an experience not soon forgotten. After a few pictures of the peace and happiness, we will set out again for the Granada and dinner on the other side of that Golden Gate. Sign up at the front desk for a great time.

Sunday, June 16th is Father's Day, happy Father's Day to all you pops. Men can expect a carnation flower and a steak dinner to say "thanks Dad." June 21st also begins our summer, get ready for the fog. Granada Memorial Day Picnic was May 27th; hope you enjoyed your picnic of:

**BBQ FRIED RIBS
FRIED CHICKEN
HOT DOGS
with Cole Slaw
Baked Beans
Corn on the Cob
Apple Pie ala mode**

We'll have another picnic on July 4th, summer fun. Remember if you want take-away food, order from the front desk but if you are in the dining room, please ask your maitre'd. We are looking into a dozen tickets to see our World Champions SF Giants. Go Giants! I appreciate our San Francisco "natural a/c" as I go back and forth to Phoenix. If I could bottle the fog and sell it in Phoenix, I'd be a millionaire. Remember my door is always open.

Thanks.
