## Sausalito Sojourn.

Going to Sausalito from San Francisco we stopped at a few view points, Vista Point and Marin Headlands. It was windy that day on the heights but so what, felt like flying over the bay of San Francisco, with a little imagination to help. (Top left to right) Linda and David Ramsdale and Charlotte Manley eating ice cream in Sausalito whilst viewing San Francisco on a fine day. Handsome Richard Matsumara poses well from Vista Point, there's wind blown Charlotte Manley with S.F. in the background. Gertrude Morrow and Stassia Feldman stay snug in our luxury motorcoach while Madie Sperry and Yvonne Weber hug on the Marin Headlands. Cassandra Ramsey with a big smile, thanks for coming. Vivian Tennenbaum is always fun to have on a trip and there's Madie hugging again, this time Virginia Brink, her aunt. Frank Hicks doesn't mind a little lock flipping and Phil Prather likes a picture as do Yvonne Weber and Marshall Ordway. Beautiful day, beautiful views of San Francisco. Motor Cable Car around town next! *Ed.*

# Facts about University of the Pacific Dental School

Graduate dentists provide dental care for patients who have simple or complex dental needs. In addition, care is also provided for special patients who have developmental disabilities and patients who are medically compromised or elderly. The Advanced General Dentistry Clinic (AGD Clinic) provides a broad range of dental services. Dental care is provided by resident dentists who have recently graduated and are pursuing an advanced education in general dentistry.

*The price is right,  
0% interest for 18 months.*

Specialists are available for consultation and treatment of more complex problems in other areas: cosmetic dentistry, endodontics (root canals), implants, oral-maxillofacial surgery (extractions), periodontics (gums) and prosthodontics (crowns, bridges, partials and dentures).

## Memorial Day and Indy 500

is a United States federal holiday that is observed on the last Monday of May (observed in 2008 on May 26). It was formerly known as Decoration Day. This holiday commemorates U.S. men and women who have died in military service to their country. It began first to honor Union soldiers who died during the American Civil War. After World War I, it was expanded to include those who died in any war or military action. One of the longest standing traditions is the running of the Indianapolis 500, which has been held in conjunction with Memorial Day since 1911. It is also traditionally viewed as the beginning of summer by many, as many schools are dismissed around Memorial Day.

When everyone thinks of May, they think of Mother's Day and since my mother is close, it's a special day for me. In the Granada, every mother will receive an orchid to wear for a happy Mother's Day. Memorial Day picnic is planned for Monday, May 26th, ribs, corn on the cob and all the fixings. I salute all you veterans here, service is a good part of being American and we thank you and all the brave soldiers everywhere. We will be showing the Indianapolis 500, Sunday on our big screen TV. With the good weather comes another opportunity for the Granada tour to have a motorized cable car tour of San Francisco. Dim Sum and other exotic treats will be in store for the 30 voyagers who book a seat. Talk about a seat, I had one at the Giants game when they took on the Diamondbacks. This summer we'll arrange a game tour with treats as well, so start being a fan now we can take it all this year, hum? With the summer will also come the San Francisco chilling fog the same that made Mark Twain comment about his coldest winter being a summer in San Francisco might be true some days and we know about the rest, so enjoy.

*Tony Davidauskis, manager*
