LIBRARY ON WHEELS

by Kevin B. McGlynn

The **Library on Wheels** is one of San Francisco's mobile branch libraries. Service is provided to older adults throughout the city as well as here at the Granada.

Library on Wheels comes and parks right outside the frontdoor of the Granada and opens

their door to you for one hour between 10:00 am and 11:00 am and is wheelchair accessible.

Library on Wheels offers a diverse collection of books, magazines and music, including large print books, books on tape and Spanish, Russian and Chinese language materials. See the in-depth collection on health issues affecting older adults and the limited reference services on-board or you can call (415) 557-4351

Library on Wheels visits The Granada each month on

the second thursday, next visit May 9th.

So next time you see the familiar truck parked outside your door, go talk to Robert and the other wonder-

ful and informative volunteers, get a library card, get a book, tape, audio book, CD or magazine or reserve a book or just ask some questions about you and the San Francisco Public Library. If you have a chance, take the Muni 2,3 or 4 bus outside our door and transfer at the 19 Polk bus going south and in a short while, ten minutes, you stop right outside our new main library, go take a visit!

San Francisco Public Library 

**A Granada
Welcome to**

- James Yarbrough

The Granada's Place

Golden Gate Bridge and the Marin Headlands and Sausalito where we went on our last tour, in the background and the Granada is the 10 story building with the circle around it. Photograph taken from the top of the Hilton Hotel. And here is Kathy, Michael and Jim looking back at you. From the Marine Headlands and Sausalito.

Mother's Day is Sunday, May 12th, that's flowers and ice cream and a lot of love. Memorial Day, the 27th, we'll have our traditional picnic dinner of chicken, ribs and all the trimmings.

Some people have seen me moving belongings out of the building and have asked if I am retiring. While retirement will happen at some point in the future, my current plan is to move my family to Arizona and commute back and forth every couple of weeks. I am looking forward to October when I will celebrate the beginning of my employment with the Lieberman family, it started 40 years ago in 1973. I started at the Harcourt as assistant manager, becoming manager of the Gaylord in December of that year. That is where I met my wife who was performing at the Curran Theater with some of the cast staying at the Hotel . I started at The Granada in 1986 after being in L.A. and Phoenix for six years. I appreciate the kind words of many people but folks will have to look at my aging face for a while longer. My door is always open.

Thanks

Tony Davidauskis, manager
