S.F. Giants fans jubilant as dry spell ends

Juan Uribe delivered a stunning opposite-field home run to break a tie with two outs in the eighth inning Saturday and lift the Giants to a 3-2 triumph over the Philadelphia Phillies in Game 6 of the NLCS, which put San Francisco in the World Series. The Giants have overcome all the odds this season and during the postseason to reach the World Series. Along the way, they, and their supporters, have increasing confidence in obtaining the ultimate prize. The Giants haven't won a World Series in 55 years, while the Rangers have never won one, meaning that the winner of the Fall Classic this year will be a fresh champion in the MLB ranks. The Rangers and Giants don't have a ton of history with each other, so the respective league champions will spend the next few days studying up on each other before the World Series begins on Wednesday.

A big holiday in Mexico is Mexican Revolution Day. (November 20th).

In 2010 Mexico will celebrate the 200th Anniversary of the Mexican Independence and 100th Anniversary of the Mexican Revolution!

In honor of Mexican Revolution Day on November 20th, there will be some tasty and exciting recipes from The Granada kitchen.

Some grilled steak, chicken or pork and have yourself an authentic Mexican Revolutionary Fiesta!

¡Viva Mexico! ¡Viva la Revolución!

A Granada Welcome to

Charles Sigerseth

SMOKING POLICY

Smoking is not allowed in any public area of the building - this includes elevators, hallways, hall bathrooms, lobby area etc. It also includes the front of the building (see photo above) and the front steps. The designated smoking area is the corner of Hyde and Sutter (on the Hyde Street side of that corner, see photo above). If you have a shared room and your roommate is a non-smoker-you cannot smoke in the room. Any violation is cause for eviction.

Well our Giants did it, we won the National League Pennant; Uuuuribe! Now for the World Series starts Wednesday at 5pm. The Granada big screen TV will be in full operation plus refreshments, plenty of peanuts and cracker jacks plus beverages get your seats early - Go Giants! Sunday the 31st was our Halloween party and dress up competition with that special vampire's kiss that Senora Delia's brews. Columbus Day we celebrated by having a "Italian theme dinner," and how about that "Oktoberfest, get enough beer?" Rainy season is approaching so if you have window problems or you see a drop or a drip let me know, we'll fix it pronto. Pigeon feeding is still a concern, so please, no feeding, except in the park, you know it is against the LAW. Now the 49ers are doing it, so stay tuned. Flu season is around so make special attempts to wash your hands often and please cover your cough especially in the elevator. Not exactly "American Idol" but we're looking for a Santa Claus volunteer? My door is always open. Thanks

Tony Davidauskis, manager

Noontime Concerts

are presented weekly at 12:30 on Tuesdays in Old Saint Mary's at our original venue. At its completion in 1853, Old St. Mary's was both the first cathedral and the tallest building in the new state of California. Restored after San Francisco's devastating earthquake and fire of 1906, it was rededicated 1909. The historic cathedral remains an important San Francisco landmark and a beautiful and serene setting for concerts so come on by.
