September 1st marked my 25th year managing The Granada. I can remember my first day like it was yesterday, the 1986 Red Sox were one strike away from winning the World Series then the ball went thru Bill Buckley's legs. The Sox got revenge in 2004. Think green when you go through your day, turn off lights or water from running too long, recycle when you can, and be green proud. Hard to believe that the holiday season is upon us again, what do we have? Rosh Hashana, Halloween, Thanksgiving, Christmas and New Years, looks like a celebration every month, can you take it? October 10th is Columbus Day and we are celebrating by having a "Italian theme dinner. Pigeon feeding is still a concern, so please, no feeding, except in the park, you know it is against the LAW. Now the 49ers are doing it and are looking good so far, don't forget to cheer them on. This is one of our best months for weather so enjoy it! My door is always open.

Thanks.

Manager Tony Davidauskis, **the sketch** and Maurice Guridi see any likeness? All a part of the never ending amazement of activities in the Granada.
