Hi All,

Just a short note to say hello to you Tony, Kevin, Charles, Jim, Alberto, Liani and the rest of the staff and guests whose names I never knew or didn't hear often enough for them to become embossed in my memory.

I truly enjoyed my visit to San Francisco and my stay at your hotel. While I was stationed at Treasure Island in 1961 and 1962 I had a year's worth of weekends to explore your city. My recent 4 week vacation was hardly enough to revisit all those places I enjoyed discovering a lifetime ago.

Although there were the inevitable changes, there were many things which did not and probably never will change. I treasure my revisit for those things which remained as I remembered them.

I took nearly a thousand photos during my visit (including some from my week-long side trip to Wyoming.) I'm still sorting and labeling. It's a trip I'll never forget.

Good bye and best wishes to all of you.

Amicalement,

Curt Mease

A PhD movie star, I can see the red carpet now... 15 Granada fans went to the Cincinnati game Wednesday to watch the Giants almost win. Think green when you go through your day, turn off lights or water from running too long, recycle when you can, and be green proud. Hard to believe that the holiday season is upon us again, what do we have? Rosh Hashana, Halloween, Thanksgiving, Christmas and New Years, looks like a celebration every month, can you take it? NuCal Foods Inc.

supply our eggs, they write: "eggs come from our own production and are not affected by the recall," eggs in question are from Wright County, Iowa. While we are talking food, here comes the Labor Day picnic with fried chicken, ribs, burgers, potato salad, corn on the cob. Monday night Football and the NFL's 45th season begins soon, go 49'ers, please!
